HSA GENERAL MEETING
NOVEMBER 15TH, 2018

President Melinda Morgan started the meeting at 8:10 am in the Cafeteria at Harbordale.
Budget - Maryann Cockerille: We have $61,652.31 in our Budget with $14,287.68 in Restricted Funds, so we have $47,364.63 in our account. Under Income in Fundraising we have $28,021.78 and still have more big fundraisers coming up. Under Expenses in the General Fund we just spent $6,984.50 (this is because we have done so well in fundraising), and we were able to buy 30 computers for the school. Scholastic News is over budget at $2,918.26 and we need to raise this. See actual Budget for more details.
Motion: Melinda Morgan made a motion to raise the budget for Scholastic News to $3,000, Kristi Quarles 2nd the motion, all were in favor so motion passes.

Adopt-A-Class - Kelly Dean: Everybody has been adopted. One teacher is not fully adopted (Rothman). Juliet said she would pick up the balance if the other half didn't come through.
Holiday Staff Luncheon - Tracey Shaw: Wednesday, December 5th is the Holiday Luncheon where we donate homemade or bought food for the staff's lunch. Room parents need to spread the word to the classes, and we need volunteers to bring in food and help out that day.
Communications - Lori Di Rocco: The volunteer sign up sheets for upcoming events are on the website. Facebook Live has been popular with a lot of followers. Mailchimp has been going out every week with updated events with links. Meet the Masters (MTM) starts sign ups in December. You don't need to be artistic for this, we just need extra hands helping out. Any questions for MTM, contact Mariela at fernmary12@gmail.com.
Public Relations/Yearbook - Lori DiRocco: The yearbook cover contest is ongoing and the deadline has been cut short. All artwork is due by November 20th, the day before we go on Thanksgiving Break. Any questions contact Toni at yearbook@harbordalehsa.com
Membership - Juliet Johansson: We met our membership goal. We did get a lot of parents signing up via paper form this year. Final updated list should be available by next week.

Fundraising - Kristi Quarles:
Change Challenge - Cheryl and Robert Hinkson. Thanked everyone for helping out. We made $3,358.00. Winners were: 1st Costello, 2nd Fleming, 3rd Disbury, 4th Menolascino, and 5th Bernard. Costello gets a pizza party and they decided to give Menolascino a popcorn party too because she made the most money (but was bombed on the last day). We need a change sorter for next year. Brightstart did it this year again without charging a fee, but we need to change venues for next years counting. Please keep in mind if you have any connections.
California Pizza Kitchen/Barnes & Noble Night - Kristi Quarles: It's tonight, November 15th. Any books purchased tonight, a portion of the proceeds goes back to Harbordale. 20% goes back to HSA from your check at CPK, just mention you're with Harbordale.
Dolphins Bus Trip: It's just for fun, not a fundraiser and it's Sunday, December 2nd. If you want tickets, drop a check in the Turtle Box, and it's $60 per person.

Holiday Shop - Maryann Cockerille: Only 2 weeks away and we need a lot of help with this! Kids come in to the shop, and for very little money they can buy gifts for the whole family. Mornings 7:30-8:00 we need help with the little kids, and help with wrapping. It will take place on stage in the Cafeteria. Gifts come in on Monday, and the stage has to be set up on the Tuesday before Thanksgiving. Monday the 26th is the first day it's open for the kids to preview and plan for what they want to buy. There are over 1,000 items on stage. 1st kids previewing are Kindergartners and they really need help because they can't write. We need 8-10 people per day and the shop is open November 26-30th.
Walkathon- Judy Dolan: We are in sponsorship mode. You can do this on the website. $1,000, $600 and $300 levels go on back of the t-shirts. All kids and staff get a shirt. Dec 14th is the deadline for business logos for this. Co-chairs are Nicki Caruso and Maria Chinda. Event is February 1st during school hours. For more info, please email Judy at: judydolan1@aol.com.

SAF Update, Stephanie Stecker: BSO came in and did a presentation on the Safer Watch App as a way to communicate tips to police. You can set up notifications for your area. Will see if we can put info on this in the red folder.
Principal's Update - Mrs. Bucolo: Mrs. Neal is very sick and she was teacher assistant for about 7 years at our school. She has put an ad for temporary teacher assistant for 7:30-3pm timeframe and no one has responded. Thanked HSA for the new computers which will go to the 5th graders and the older ones will move down. Years ago Harbordale was selected as a D5 (digital 5th grade) school and the District provided computers at the time, but now that has ended so we have to get our own replacements. We purchased IPad cases too. Veterans Day flags are up for about 3 weeks. XMas on Las Olas is November 27th and our 4th-5th graders sing rain or shine. We go on at 6 till about 6:30. Dr. Strauss is out Cadre Director and he's coming to visit tomorrow. Reassignments open on December 3rd. We have traditionally been a heavy reassignment school, but this year we can't be as generous. Limited this year because of the numbers. Ms. Rodriguez's has trained a team of parents for her Great Leaps program to help students out with phonics. Nicki Caruso has spearheaded the Go Fund Me Page and we got the $5,000 that we needed for the front door buzzer. Mrs. Kashdin is in contact with the District and they are coming out before Thanksgiving to access and it should be a 2-3 months process to get it installed. She went to a Guardian Meeting the other day for all the schools that will be getting them. We still have police officers on campus, but we will be getting a guardian soon. Guardians do carry a gun. Roof & A/C repair/replacement for the old building is coming from the Smart Bond Money. They are coming today to access roof again. Some of the work will happen weekends, holidays, summer and the following summer and it will be a long term project. Carpeting (carpet squares) in the Media Center finally was approved for free. They will start installing Monday night and working evenings through Wednesday, so the Media Center will be closed for a few days.

Meeting adjourned 9:05am
